Fall Blanket Drive

Helpline is seeking individuals, businesses and organizations to hold blanket drives in order for Helpline to distribute blankets to individuals and families in need. If you can either donate clean and unused blankets or organize a group to seek blanket donations, contact Dan Willms or Wendy Gonzalez at 529-3377. Thank you!

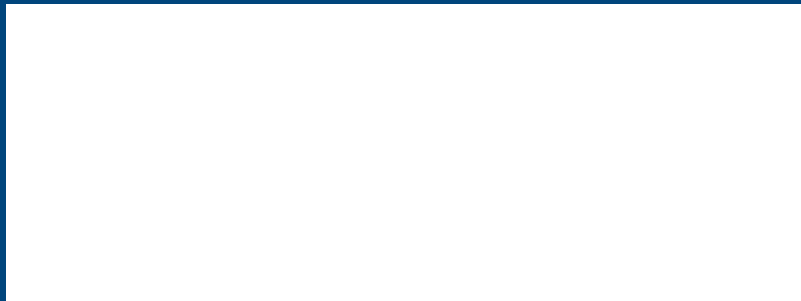

New STEP Case Manager

We welcome Nina Neff as our new case manager at the STEP Women's Shelter. Nina, a senior student and history major at Whitman College, also serves at Catholic Charities of Walla Walla, where she has worked the past two years. Nina spent this past summer teaching children in Egypt and looks forward to helping the homeless women of our county move forward to independent living. Nina replaces Gabriela Salvidea who is now the Helpline Housing Coordinator.

Backstage Bistro

Helpline offers a special thanks to the Backstage Bistro and owner, Bob Parrish, for providing a delicious lunch for our annual Volunteer Appreciation Luncheon held this year at the STEP Women's Shelter. Your generosity is greatly appreciated!
